Hi Suzanne - I'm hoping you are in today to have this discussion with Doug with me. I'll see if he has some time today, otherwise maybe you can call in for our prep meeting on Monday morning (we'll be in MT already!)

Thanks

Great thanks. I asked Suzanna to send me the work product that was developed during the last round of negotiations at Anaconda, I've attached those documents. I would like to talk about the details of what a settlement would look like and also discuss how we should initiate this process. Also, on Monday we need to talk about our conversation with Bill Everett, Steve McNeese, and Terry Vermeire and what we want to convey. I have some thoughts but want to make certain we convey the right message

Patricia is interested in meeting with us on Wednesday while we are in Butte, if possible. We are looking to see if we can fit that in the schedule.
